**NOTICE OF UNITED STATES POSTAL SERVICE OF FILING OF
SUPPLEMENTAL FINANCIAL WORKPAPER**
(February 10, 2017)

The United States Postal Service (Postal Service) hereby provides this notice of its filing of a supplemental financial workpaper. On February 9, 2017, the Postal Service filed notice in the above-captioned docket of a type 2 rate adjustment and of filing a functionally equivalent agreement. The Postal Service also filed four Excel spreadsheets in support of its filing. Today, the Postal Service is filing an additional (fifth) Excel spreadsheet in further support of its filing.

This fifth spreadsheet is being filed under seal in an unredacted format with the file name "NONPUBLIC Cost by Shape FY16 v2.xlsx."¹ A redacted version of this spreadsheet accompanies this notice as part of the public filing. The Postal Service respectfully requests non-public treatment of the unredacted version of this additional financial spreadsheet and hereby incorporates by reference its application for non-public treatment that it filed as Attachment 1 to yesterday's notice in this docket.

¹ This is the spreadsheet that was cited as "Inbound Air Letterpost Cost by Shape Workpaper FY16 v2.xlsx" in the first footnote of Tab 6 of the "NONPUBLIC China MD IB 2017.02.09.v3.xlsx" spreadsheet that was filed on February 9.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
